	Product Features	Takoyaki with an elegant bonito flavor by extracting dashi from bonito powder without using any compound ingredients such as dashi stock. In addition, using domestically produced rice flour, it is characterized by the natural sweetness and melt-in-your-mouth feeling that Japanese people prefer. We use carefully selected ingredients such as eggs, cabbage, sea lettuce, rice flour, and many other domestically produced ingredients, and create safe and secure takoyaki at our own FSSC22000 certified factory in Hiroshima Prefecture. You can enjoy it easily and deliciously by microwave cooking or oil cooking.
